

Make a Real Difference for a NW London Charity Supporting Children Living with Disabilities

We're looking for **practical, hands-on volunteers** to help transform our charity's office into a welcoming, professional space for staff and visitors.

If you're **handy** - whether you're a current or former **tradesperson**, or just someone who enjoys DIY, we'd love your help with some small jobs:

- **Painting and decorating**
- **Gardening and outdoor tidying**
- **Organising and setting up our office space**

Variety, the Children's Charity, supports disabled and disadvantaged children and young people across the UK through the provision of special equipment including wheelchairs and accessible minibuses, days out as well as support to enter the workforce. Your skills will make a huge impact on the work we do for the community!

Perks and Benefits
